### step two

We will commence our investigation straight away ensuring we keep you updated at each stage.

### step three

We aim to resolve your complaint within two weeks. If for some reason we can't resolve it within this time, we'll keep you regularly updated on our progress until our investigations have concluded.

### step four

Once we have concluded our investigations into your complaint you will receive confirmation that our enquiries are complete and we will share our findings with you.

## IF YOU REMAIN UNHAPPY

In some cases you may reserve the right to have your complaint heard by the Claims Management Ombudsman Service which is part of the Financial Ombudsman Service (FOS) if you remain dissatisfied with our conclusion to your complaint. You can refer your complaint to the Claims Management Ombudsman at any time, however the Claims Management Ombudsman will only commence their investigations once we have had the opportunity to investigate the complaint and issue our final response.

The Financial Ombudsman Service rules state we have eight weeks to investigate customer complaints, however we aim to conclude our investigations much sooner than this. Should you wish to escalate your complaint to the Claims Ombudsman Service, you can contact them using the below details:
